

# We're Open!

## Faith Community Church opens Sunday, June 14<sup>th</sup> 9:30 am for worship.

We are busy making preparations for the safe return to the building for worship services. Since we're all in this together, we all have to work together to make it work for everyone who chooses to attend. This entails exercising compassionate consideration for others out of our love for our Lord and our neighbors.

COVID-19 has changed lots of things in our society and we have to make some changes too. Church will NOT be like it was, NOT like it will be, but we have to start somewhere. We will make adjustments and improvements as needed in the coming weeks to best serve our congregation and community.

### What's new on June 14?

- Social distanced seating. Families can sit together. All others are asked to spread out in the room to keep the 6 foot recommended distance between individuals. Chairs are in position.
- Intentional traffic patterns in the building. Please follow the arrows → and keep the 6 foot social distance. We'll have everyone enter the worship area through the main interior west doors and exit the worship area by the doors in the fellowship area. We ask that when the service is over that you exit the building and hold your conversations outside.
- "Cleanliness is next to godliness," so the saying goes. We're putting staffed sanitizer stations in the hallways so that you have easy access to hand sanitizer. We'll be propping doors open and minimizing contact with things and people. Disinfectant will be used prior to services.
- Face masks are strongly encouraged. We will have masks available in case you forget yours. This is one area in which to exercise compassionate consideration for others.
- Bring your own coffee. We will not have coffee or treats.
- There is no nursery. There is no Connect time for the summer.
- Elders and Deacons will serve as greeters.

### What's not changed?

- Drive-in church! Our service will still be available on the radio (88.1 FM) in the parking lot. You can still attend church without being in the building. CDs of the service are available upon request.
- Singing in church.
- Car parking service.
- **If you're sick, DO NOT COME! Stay home.**

We look forward to ministering to those the Lord brings to us on Sundays. - Pastor Dave for the Elders.
